

HSGS: Coarse Knitted Glove - Bursa - 2026

HSGS - colour: Off white - black knobs
Coarse Knitted Glove - Bursa

- Protective equipment for low risks
- Can be used in a dry environment
- Very good fit due to the elasticity of the nylon part
- High wearing comfort through seamless processing
- PVC grip knobs for a secure grip
- No sweat formation due to the air-permeable knitted fabric
- Size range 7 and 10
- Certified according to EN 21420: 2020 Cat.I

Suitable for

Craft, manufacturing, construction, waste, recycling, services, logistics, facility management, agriculture, light industry
